

To whom it may concern,

I am glad that the commission is finally beginning to review the ownership rules. I know that it is realized that the commission is already tardy, however, this is very important in the field of media. Recently, I completed a paper on this topic for my mass media law class and found this topic to be interesting. Most of the ownership rules are decent, but need to be clarified, it is time. For example the local radio ownership cap, I think too many radio stations are allowed. Also, the broadcast/newspaper cross ownership ban, I think is hypocritical. One can own a TV and several radio stations, but not a TV/radio station and a daily newspaper. I believe this rule needs to be refined. Thank you for your time in this matter.

Sincerely,
Courtney Hirsch
